Foton 254 tractor manual download pdf file free

The company currently has nine brands including AUV, AUMAN, AUMARK, OLLIN, SUP, SAGA, SURF, VIEW and FORLAND. I bought the manual from Affordable Tractor Sales co 6972 Highway 36N Bellville, TX 77418 It was \$25.55 the title of the manual: Operation Manual 18-25 So why not just order one from Affordable Tractor Sales are supported by the manual Remarkable but from the web site, Foton.com, I was able to download the parts list, at least most of it, just as a "quest". I found it. M Hello, can you send me a copy also? I am still interested in the manuals, though. You can expand the pics with a double click and then do a screen print of the larger image. ATTN: DO NOT send emails to these spammers/phishers on here posting their email addresses. You can click on Parts (far upper left) and then you can search the model number for parts. Last edited: Feb 14, 2012 And some may have no socks at all. regards Phil hi there. My e-mail is: Many thanks! Best wishes, Alex:0) I never received anything from China (express, lol). I have a digital copy of the operator / maintenance manual for my TE254 if anyone needs a copy. My email address is [email address to send you the files? Since its inception, Foton Motor has adhered to a high market strategy based on a rigorous management system. (I use ctrl p). Don't you trust us? Regards, Chris. I'll wait. When next we go there I'll bring them back. :thumbsup: Whats the matter Mickey2? Gramps How do you screw your socks on? TN that has some nice information. The second phase - the launch of new projects. However, I did use their contact information and sent an email. I will try to find a FarmPro dealer closer by and see if that works. I bought mine from Rural King and they did order the manual, lol, they never received it though. So no date of purchase warranty. The company manufactures cars, SUVs, minibuses, big city buses, trucks, engines, tractors, agricultural machinery and much more. However, I did order the manual from the Texas post and did receive it. Aug 22, 2011 #19 Hi guys. In other words, what you're probably looking for would be a FE250/254 manual. darngtek @ hotmail.com (remove the spaces) hmm how do I do that without giving the whole world my email? Thanks to its rapid development, the Company has now become the largest manufacturer of commercial vehicles in China. Share the publication to a stackLike to get better recommendations to a stackLike to get better recommendations. if anyone needs a copy. Thats is what I call quick service Tommy. LOVOL Tractors is a Foton's brand. Beiqi Futian Motor Co., Ltd (Foton) is a state-owned company founded in 1996 through the merger of about 100 other companies from 13 regions of China. The best I could suggest is to find out who sells it and where the manual is. If you want I can send you some money and have you burn it to DVD or CD. If you have never cleaned it before it may pay you to remove the radiator, soak it in a bath of water over night the back flush it through the fins with a hose. Chinese manufacturer of commercial vehicles Foton Motors - a modern corporate system, modern production facility and modern distribution network. Hmm I don't know how to do that but will try if you tell me how. The email also gave me a password to access the user manual, under tech support ??? Jul 17, 2011 #14 Can we hookup on msn messenger or something to transfer? Page 2 Well, thank you Bob, I didn't know I could do that. :laughing: Page 4 Whats strange is that so many people are saying they have no manual when they bought their tractors........They are either second hand tractors or the tractors are coming from third party suppliers. Cheers Josh Page 5 Hi, i would like to have a copy of your manual please since i may have a Foton 254... Something noticable when a gust of wind brings all the snow from the spout of the mower into the cabin area. And thanks again for sharing, my maintainance done by trial and error, more info would be appreciated, tractor keeps over heating and i need to change fluids, dont know what type it takes for transo If you had posted this in the Chinese Tractor forum you may have got a lot more answers. tractor keeps over heating and i need to change fluids, dont know what type it takes for transo new member, cant find anything i look for for foton. Jul 2, 2011 #12 The file size is fairly large, trying to work around it. The problem with the online parts list is that it starts (for my tractor) with section 11 so I don't know if 1-10 is common to all tractors and exactly what is in 1-10. That's okay. Thank's, Ray, You can go to the Foton.com and get a download of the parts manual for free. It Had A Cracked Hydraulic Metal Pipdon The Steering That Leaked After 2-3hrs. ...or borrow them from someone. How i can have a copy of this manual? The dealer network covers the territory of the Middle East, Europe, Africa, Asia and South America; products are sold in more than 40 countries and regions. I bought the tractor cheap (doesn't run) because it had missing parts. However, without some type of manual, I am lost. 1996: The company was incorporated in Beijing as Beiqi Foton Motor Co., Ltd. In 1999, Foton was awarded the honorary title of "King of light trucks." In 2000 he introduced a new three-stage strategy, implemented Beiqi Foton Motor Co., Ltd. In 1999, Foton was awarded the honorary title of "King of light trucks." In 2000 he introduced a new three-stage strategy, implemented Beiqi Foton Motor Co., Ltd. In 1999, Foton was awarded the honorary title of "King of light trucks." In 2001-2006. I just bought a Foton 254 but no manual was available for this tractor. Try your inbox. I have never worked on any car or tractor so I am sure I will need lots of advice. Anyway, I just got a response from Foton.com. ;-) hi there. It was \$25 with shipping and worth it for the operators manual, writen in english by a chinese person. local rual king stop selling foton almost as soon as they started. All products Foton Motors focuses on the maintenance manual. A rich product range, competitive prices, a network of after-sales equipment service centers attract many buyers abroad. (still debating on the real brand of my tractor) thanks a lot Jose G. I'll Email both of you about the manual unless someone gets one to you. hmm how do I do that without giving the whole world my email? I did buy a manual, lol, I've put it away for the winter, and it costs about \$25.I will try to find it in the next couple days and come back to post. ;-) Yes, please. ;-) Hi there! Just wondering whether you would be kind enough to send me a digital copy of your TE254 manuals? Darin I'm sorry I don't know much about my Foton but the guy from Texas did help me with the manual for it. Now it is the owner of almost the entire Vietnamese automobile industry. After all, Vietnam is probably the best market for investing during the crisis. It goes on the date of purchase. Foton Motors is the most dynamic company in the rapidly developing car market in China. lol okay here it is and it isn't you who I do not trust, it is the many fishers out there.
